Erratum to: Interference of spoken word recognition through phonological priming from visual objects and printed words

James M. McQueen · Falk Huettig

Published online: 16 May 2014
© The Psychonomic Society, Inc. 2014

Erratum to: Atten Percept Psychophys
DOI 10.3758/s13414-013-0560-8

Throughout the results sections of all three experiments in this article, values reported as partial eta squared are in fact Mean Squared error (MSe) values.

The online version of the original article can be found at doi:10.3758/s13414-013-0560-8.
