The Indigenization of Modernity
On the Relation between Culture and Development

A book not about Asia, not even about the Pacific Rim, Culture and Sustainable Development in the Pacific is instead about the Pacific region in the strict sense of the term. The strategic importance of the Pacific for Asia and, of course, for America is reflected in the coverage of the Japanese invasion of Pearl Harbor during World War II. The central importance of the Pacific in modern world history is also portrayed in the relatively new concept of the Pacific Rim, which, since the Japanese invasion of Pearl Harbor during World War II. The central importance of the Pacific in modern world history is also portrayed in the relatively new concept of the Pacific Rim, which, since the Japanese invasion of Pearl Harbor during World War II.

The responsibility for implementing the Decade was given to UNESCO. The response of Pacific member states to UNESCO was formulated in a project entitled ‘Vaka Moana’. ‘Moana’ is the common word for ‘ocean’ in the languages of the Pacific. It is also the name of a confederation of islands.
